

CALIFORNIA CONSERVATION CORPS

Are you a MILITARY VETERAN ages 18 - 25?

Are you interested in Work Experience and Training in Green Technology?

The Position:

The CCC is inviting recently discharged veterans to apply for a demanding job that combines hands-on work experience and skill training in basic construction, lighting, electricity, and resource work.

Through the Sierra College CACT Technical Education in Energy Efficiency & Construction curriculum, CCC employees will earn a certificate of completion in lighting and electrical technology.

Successful candidates will work on energy efficiency projects with the DMV and other state agencies. Employees will work on both commercial and residential construction projects, landscaping, and tree work.

Prior to completing the program, CCC employees will work with Sierra College CACT in the areas of resume development, interviewing skills, job searching, and job placement.

Sacramento Non-Residential Program:

Some projects will require 10-day work stints away from home and center locations.

TO APPLY, CONTACT:

Renee Podris
(916) 341-3107
